Experience the Power of Signage

niles ADVERTISING
& DISPLAY SOLUTIONS, INC

Niles Advertising serves the signage needs of architects, builders, government agencies, colleges and universities, hospitals, medical facilities, facility management firms, nonprofits, and private sector businesses. Our goal is to be your long-term signage partner for wayfinding, branding, vinyl applique graphics, event promotions, advertising, safety and security.

We are Here to Help

Niles Advertising is deeply committed to customer satisfaction. We are here to ensure that your project meets and exceeds your operational and marketing objectives. Whether your signage requirements demand seamless navigation throughout your workplace, commercial or residential property, or display graphics that transform your brand into a larger-than-life experience, you can depend on us to deliver 100% satisfaction.

Safety

Promoting safety is paramount to our business. We produce signage that meets the requirements of ADAAG, ANSI, HEW, OSHA, VA and local codes. In addition, we provide signage that can contribute to your LEED project credits.

We are MBE and SDVOB Certified

Niles Advertising is proud to be certified as a Service Disabled Veteran Owned Business (SDVOB) by the State of New York. We are equally proud to be certified as a Minority Owned Business Enterprise (MBE) by the State of New York, City of New York and New York City School Construction Authority.
