

# Capability Statement

## EXECUTIVE SUMMARY

Niles Advertising is a single source provider for interior signage, wall graphics, displays, banners, decals, flags, and accessories. Over a span of twenty years, we have become a valued service provider to government agencies and authorities, universities and public schools, medical facilities, libraries, non profit organizations, and event planners. Our extensive capabilities include, but are not limited to consulting, design, project management, production, and installation.

## CERTIFICATIONS

Niles Advertising is independently owned and dually certified as a Minority Business Enterprise and Service Disabled Veteran Owned Business .

## PAST PERFORMANCES

### State University of New York

For Maritime College's Vander Clute Student Hall, Niles Advertising designed, produced and installed signage for classroom, conference rooms, restrooms, a barber shop, utility closets, concessions areas, and a mail room. In addition, we installed custom wall graphics, and building identification dimensional letter.

### City University of New York - Central Office

To accommodate the expanding pool of employees, CUNY retained Niles Advertising to produce and install cubical and office signs with changeable name slots, and conference room signs with digital printed graphics, raised tactile letters, and braille.

### New York City Department of Finance

To meet the agency's vast signage requirements, Niles Advertising produced and installed exterior address signage and governmental bronze plaque for the City Sheriff's Office, privacy distraction graphics for administrative offices and conference rooms, workplace signage for offices and garage depot, and warehouse aisle markers.

### New York State Energy Research & Development Authority - NYSERDA

To meet the agency's ongoing demand to promote its programs, events and mission, Niles Advertising successfully produced floor displays, tabletop display kits, parade banners, step and repeat wall displays, custom table throws, and more.
